INFORMACE K RZ 3

✖ (34 - Kačírek Petr jun. / Kučera Ladislav): **technická závada - motor po RZ 3**

✖ (31 - Enok Patrick / Simm Silver): **odstoupil po RZ 3**

(43 - Schönborn Claire / Wenzel Michael): **problémy s přehříváním**

✖ (39 - Pesavento Davide / Angeli Alessio): **technická závada - chladič v RZ 3**

✖ (38 - Heindrichs Tom / Schmitz Jonas): **technická závada - olejový chladič v RZ 3**

(12 - Coleman Casey Jay / McArdle Killian): **problémy s tlumičem**

(34 - Kačírek Petr jun. / Kučera Ladislav): **problémy s alternátorem**

(2 - Sesks Mārtiņš / Francis Renārs): **It's okay. We have some issues, but it's all right.**

(3 - Korhonen Roope / Viinikka Anssi): **Difficult to say, but for us it was really slippy and really deep ruts in some places, so I struggled with them. But yeah, second loop is quite interesting here.**

(9 - Sarrazin Pablo / Roche Yannick): **It's really difficult, to be honest. I think I had a real, real problem. I don't know what so I am really, really surprised about the time. I expected to lose 10, 15 seconds. But it's okay.**

(18 - Gryazin Nikolay / Aleksandrov Konstantin): **It was super slow because the ruts are really deep compared to what I saw when Kris Meeke was driving on first. It was really looking like a nice flow, but for us we are bouncing on the road and that's so deep, and the outside of the road.**

(29 - Rossel Léo / Barral Florian): **Yes, it's a big surprise. This is Kris Meeke. Incredible guy. It was good. I think my tyres not really, really soft for this condition.**

(27 - Solans Jan / Sanjuán Rodrigo): **Yeah, not good. My opinion, from the inside it was looking good. I was pushing, but I don't know what I was doing wrong. Okay, by the end I felt like I had a puncture, but I think everything is fine.**

(6 - Tempestini Simone / Maior Francesca): **Quite worse than I expected, but, yeah, the conditions are still good. But the ruts are very big in places at the beginning, and I think now, first pass, it's on the limit. Then it will change a bit, and you really need to focus on how to take the corner, because the ruts are very big, so if you miss a bit the line, you will not turn anymore.**

(31 - Enok Patrick / Simm Silver): **At some slow corner the front corner locked in. We touched the ditch and we rolled. I don't know about the damage but it doesn't look good.**

(31 - Enok Patrick / Simm Silver): **šel přes střechu**

(1 - Marczyk Miko / Gospodarczyk Szymon): **Yeah, proper stage. 70 kilometres per hour was the average. A lot, I would say, corners. Not fast, mainly slow and medium. There are some few faster parts, which is necessary to use it more. I think there will be very big gap for the second loop because already ground was a little bit rutted.**

(26 - Araújo Armindo / Ramalho Luís): **Fantastic stage, It was a big challenge for the drivers.**

(5 - Matulka Jakub / Syty Damian): **Very tricky. Not easy for me, not easy to get the rhythm. Yeah, but okay. Good experience. Good stage to try to properly understand your pace notes. So yeah, very challenging, but not bad.**

(8 - Vatanen Ville / Ojala Joonas): **It was ok. Maybe I was little careful with the rhythm.**

(22 - Abramowski Tymek / Wróbel Jakub): **That was quite rutted already so we will see how the others go. A lot of mistakes to I was not happy with that.**
